SUBJECT: SIG/IEP on Memorandum of Understanding on GSA Tin  
 Stockpile Disposals

In preparation for the follow-on SIG/IEP to be held August 3 on this subject, attached are (1) the revised text of the Memorandum of Understanding proposed by the Department of State (new wording underlined, old wording bracketed) and (2) the text of an Aide Memoire which would accompany the Memorandum of Understanding at time of exchange with the Malaysia and the other ASEAN countries. Addressing criticisms raised at the July 20 SIG/IEP, the Aide Memoire makes precise certain key points of the Memorandum and clarifies the USG's interpretation of it in order to preclude any misinterpretation.
